

Standard Operating Procedure (SOP) - Involvement in ISPN activities

Title: Participation & involvement in ISPN activities

Number: 7

Date: 11 March 2024 - *Last review: 11 March 2024*

Statement of purpose:

To reaffirm & clarify requirements before being involved in ISPN.

Related issues:

Transparency for involvement.

Context / Committee:

Membership, education, Executive Board

Details:

We invite anyone with an interest in pediatric neurosurgery to attend/join ISPN activities.

In order to become actively involved in the ISPN and any of its activities (i.e. as faculty for ISPN webinars or educational courses; ISPN committees and the Executive Board) it is required that you are an active member of the ISPN in good standing. Exceptions are made to involve non-neurosurgeons (or neurosurgeons primarily involved with adult work) to broaden the scope as part of any program.

Review period:

Every two years.
